Technology	£1,614	-£2,924	£1,343

Revenue price-volume variance by product

product	Volume Effect	Price Effect
Bank Transfers	-£9,657	£1,473
Card Payments	-£148,239	-£11,988
Equity Trades	£116,486	£4,740
FX Trades	£1,838	£3,735
Total	**-£39,572**	**-£2,040**

What: Payments revenue was 11% below budget in Q2, and Lending marketing is about 35% over budget in Q3.
Why: Card Payments volumes were about 14% below plan in Q2. Lending marketing spend ran well above plan from July to September.
So what: Review the Payments volume forecast and put a spend cap on Lending marketing.
